JULY 9-11 & JULY 16-18, 2021
SPRINGFIELD, MO

Steubenville STL Mid-America is a high-energy youth conference in which thousands of teens are invited to encounter Jesus Christ through dynamic speakers, engaging music, the Sacraments, small group discussions, and fellowship with other teens. Our conferences are an outreach of Franciscan University in partnership with the St. Louis Archdiocesan Office of Youth Ministry. Two conferences are held every year in July and take place on the campus of Missouri State University in Springfield, MO.

APPROACHING 2021

2020 was not the year any of us had planned for and has affected so many in incredibly profound ways. Here at the Office of Youth Ministry in St. Louis, you and your ministries are in our prayers daily along with prayers for effective treatment, prevention, and ultimately the eradication of this virus. We are grateful for your dedication to the Church and for continuously inviting teens to encounter Jesus Christ. As our hope is to proceed into 2021 planning for two Steubenville STL Mid-America weekends, we are reviewing and updating all plans to ensure the safest environment for all our participants. More information can be found in the back of this packet.

COVID PROTOCOLS

Your safety is our priority. While we recognize that no one can tell us what July 2021 is going to definitively look like, we do know that our 2021 Conferences will look and operate differently than they have in the past. We are working with Missouri State University to ensure all proper protocols are being followed. Below are some ways we're working to bring our participants the safest measures for attending. This is subject to change based off the most recent guidelines at the time of the conferences.

ARENA

We will operate at a limited capacity so that participants can be appropriately spaced from each other throughout the arena. Increased cleaning will occur.

HOUSING

Participants will be limited to at most 2 to a room and whole groups will be housed more closely together.

DINING

All meals on campus will be offered as contactless.

GENERAL PREVENTION

More information about masks and testing will be included in the February brochure and will be in line with CDC recommendations. Our overall capacity will follow guidelines put in place by the Greene County Health Department and the JQH Arena and be made known in February.
